Dear Ms Marsh

EPBC 2009/4839: Cattle Hill Wind Farm – Eagle Research Plans

Thank you for your correspondence dated 21 December 2018 to the Department of the Environment and Energy, for and on behalf of Wild Cattle Hill Pty Ltd, seeking approval of the *Eagle Nest Productivity Plan, Revision 5 dated 29/9/2017, Post Commissioning Eagle Utilisation Monitoring Plan, Revision 3 dated 31/1/2018* and *Eagle Mortality Offset Plan, Revision 12 dated 6/12/201*, in accordance with Note 1 of the approval for the above project under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Officers of the Department have considered these plans and are satisfied that together and as approved by the Tasmanian EPA, and in accordance with Note 1 attached to the conditions, these plans address the content requirements of Conditions 16 and 17 of the EPBC approval for this project. On this basis, and as a delegate of the Minister for the Environment, I have decided to approve the *Eagle Nest Productivity Plan, Revision 5 dated 29/9/2017, Post Commissioning Eagle Utilisation Monitoring Plan, Revision 3 dated 31/1/2018* and *Eagle Mortality Offset Plan, Revision 12 dated 6/12/201*. These plans must now be implemented.

Should you require any further information please contact Peter Blackwell on (03) 6208 2927 or post.approvals@environment.gov.au.

Yours sincerely

Chris Videroni, A/g Assistant Secretary
Assessments (WA, SA, NT) & Post Approvals Branch
